Gary Mitchell
Fieldwood Energy Offshore LLC
2000 W. Sam Houston Pkwy South, Suite 1200
Houston, Texas 77042

Dear Mr. Mitchell,

Reference is made to Fieldwood Energy Offshore LLC's (Fieldwood) Right-of-way (ROW) modification application dated June 26, 2019, and received by this office on June 28, 2019, for Pipeline Segment Number (PSN) 15818, ROW No. OCS-G28221.

Specifically, Fieldwood requests a temporary cessation of operations for PSN 15818 until December 31, 2019. PSN 15818 has been out-of-service since April 1, 2019. The temporary cessation of operations is being requested due to ongoing construction work taking place on Main Pass 77 A platform. This gas pipeline will be necessary to flow the platform once the construction work is completed.

The table below describes the pipeline segment pertaining to the aforementioned application:

PSN	Size (NPS)	Length (feet)	Service	Origin	Termination
15818	8	10,698	Gas	Platform A Main Pass Block 77	18-inch SSTI Main Pass Block 151

Pursuant to 30 CFR 250.1000(b), your application is hereby approved subject to the following conditions:

1. The annual rental required by 30 CFR 250.1012 shall continue to be due and payable in December of each calendar year.
2. If the associated pipeline has not been returned to service and is not being used for the purpose for which the pipeline right-of-way grant was made by December 31, 2019 the grant shall be deemed to have expired in accordance with 30 CFR 250.1014. As a reminder per 30 CFR 250.1010(h) the right-of-way holder must remove all structure and pipelines along the right-of-way within one (1) year of the effective date of the relinquishment or forfeiture (i.e. expiration). Furthermore, in accordance with 30 CFR 250.1750 thru 250.1754 an application must be submitted to this office to decommission the subject pipeline segment within 30 days from the effective date of the relinquishment or forfeiture (i.e. expiration).

3. If at any time prior to December 31, 2019 it is determined that the use of the associated pipeline is to be permanently discontinued, an application to decommission the pipeline and relinquish the pipeline right-of-way shall be submitted to this office for approval.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Dessauer", written in a cursive style.
